Hispanic or Latino	148	282	122	140	126	144	52	69	183	299

* = low precision; -- = not available; da = does not apply; nc = not comparable due to methodological changes; nr = not reported due to measurement issues.
NOTE: Estimates in the 2020 column are italicized to indicate caution should be used when comparing estimates between 2020 and prior years because of methodological changes for 2020. Due to these changes, significance testing between 2020 and prior years was not performed. See the *2020 National Survey on Drug Use and Health: Methodological Summary and Definitions* for details.
NOTE: Respondents were asked about driving a vehicle while under the influence of specific substances. Respondents with unknown driving under the influence information were excluded.

[1] Selected Illicit Drugs include the use of marijuana, cocaine (including crack), heroin, hallucinogens, inhalants, or methamphetamine.
[2] Selected Illicit Drugs Other than Marijuana include the use of cocaine (including crack), heroin, hallucinogens, inhalants, or methamphetamine.

Definitions: Measures and terms are defined in Appendix A.
